VIRTUAL LEARNING OPPORTUNITIES

Antiracism Workshops

raising antiracist kids

Raising Antiracist Kids is an interactive online workshop designed to help you engage in conversations about race and racism with your family. Divided into three age ranges, Raising Antiracist Kids tailors each workshop to the unique needs and concerns present during each developmental period.

The registration fee is \$10; fee waivers are available.

all in.

DISMANTLING BARRIERS
TO ANTIRACISM

Being antiracist is both simple and daunting. It requires you to actively oppose systemic racism, but there are countless barriers to fully engaging in this practice. During this discussion-based workshop, you will begin to identify some of the barriers to being antiracist, while learning basic tools to dismantle and unpack them.

The registration fee is \$10; fee waivers are available.
